Open top lid on topchests allows contents to be in full view with heavy-duty gas struts for easy opening.

Full extension ball bearing drawer slides will store up to 45kg. Oversized drawers have double runners, doubling the capacity.

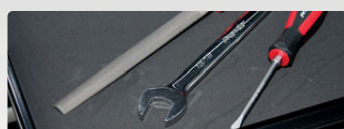

Heavy-duty Ø125mm Mag style castors on rollcabs, includes two swivel with toe brakes and two fixed.

Heavy-duty tubular side handles on rollcabs. Topchests feature dual over-moulded steel handles with plastic grip.

Patented 'Lift & Latch' drawer pulls. Making access easy, while preventing inadvertent opening.

Non-slip drawer liners are provided with all models to protect both drawers and tools.

## OUR PROFESSIONAL PREMIER® RANGE FEATURES:

- Heavy-duty welded steel construction for strength and durability.
- Textured powder coat finish, both solvent and rust resistant.
- All drawers have full width sand blasted aluminium 'Lift & Latch' drawer pulls.
- Non-slip drawer liners supplied for all drawers.
- Rollcabs supplied with 12mm PVC coated MDF worktop.
- Integral locking system locks all drawers in each unit with the turn of one key.
- All supplied with two keys.
- Visit [www.sealey.co.uk](http://www.sealey.co.uk) for full specifications.

## Magnetic Collection Trays

- Stainless steel trays with Ø80mm magnets in non-marking cover.
- Ideal for storing screws, nuts, bolts, washers and sockets during disassembly/assembly.
- Attach to any ferrous metal surface and even works upside-down.

## Professional Water-Resistant Storage Cases

**WATER**  
RESISTANT

IP67

- High-impact injection moulded water-resistant cases for the safe storage of technician's instruments, photographic equipment, musical instruments, laptops and other high value items.
- Heavy-duty design with extra protection surrounding the easy-open latches.
- Neoprene seal around the inside of the lid ensures that the cases are water/dust resistant and features a pressure equalising valve to aid transportation by air.
- Features a comfortable rubberised folding handle and padlock points (Model No. AP620 folding handle only).
- Wave and perforated foam inlays allow the user to create a secure and customised fit for the contents.
- Model No AP626 also features two wheels and extendable handles to aid transportation.

## FEATURES

A pressure equalising valve to aid transportation by air.

Heavy-duty design with extra protection surrounding the easy-open latches.

Wave and perforated foam inlays allow the user to create a secure and customised fit for the contents.

Neoprene seal around the inside of the lid ensures that the case is water/dust resistant.

## Cabinet Boxes

Model No. APDC12R

Model No. APDC39R

Model No. APDC60HV

- Tough and durable housing, with impact resistant composite drawers.
- Ideal for storing a mixture of small to large fixings and components.
- Fitted with fixing points for wall mounting or can be used freestanding.

Industrial quality cabinets, workbenches and accessories manufactured from heavy gauge steel, which is powder coated for rust and solvent protection.

Optional workbench, single, double drawer units, back panel, shelf and unique vice holder available (see pages 1030 & 1031 of our new 2021/22 catalogue).

Cabinet drawers are fitted with heavy-duty drawer slides with up to 100kg load capacity, and self locking mechanism to prevent inadvertent opening.

All finished in industrial blue/grey paint finish that would look stylish in any workshop, garage or manufacturing plant.

Workbenches each have an evenly distributed load capacity of 1000kg.

## Industrial Drawer Cabinets

- All drawers run on heavy-duty drawer slides with a load bearing of up to 100kg and fitted with safety locking catch to prevent inadvertent opening.
- Each drawer is fitted with fixed dividers running back to front and supplied with cross dividers for personalised storage layout.
- Fit perfectly underneath the workbenches in this range.
- Fitted with high quality lock and two coded keys.
- Overall Size (W x D x H): 565 x 580 x 700mm.

## Industrial Cabinet Base Unit

- Optional base for Model No's APICCOMBO4, APICCOMBO2, APICCOMBO5 and APICCOMBO7 (See top right).
- Four height adjustable rubber feet for levelling on uneven floors.
- Size (W x D x H): 840 x 405 x 50mm.
- Model No. **APICB**
- List Price £66.95

**£44.95** Exc. VAT
