Product information

These ear defenders form part of our new premium colour coded ear defender family HV Extreme. With a PU padded headband, they offer unparalleled comfort even during extended use. The dual pin adjustable cups ensure a secure fit for all head sizes, while the superior attenuation performance provides maximum protection against harmful noise levels in medium attenuation environments. The reflective padded headband enhances the user's visibility making it the perfect choice for those working in low-light conditions.

Hearing Protection

Hearing problems occur when you are exposed to hazardous working conditions without wearing the correct protective equipment.
