

Sustainability Policy

Transpower Drives Ltd commits itself to minimizing its impact on our environment through

- Providing a safe and healthful workplace.
- Having an environmentally sustainable aware culture, where responsibility is assigned and understood.
- Being an environmentally responsible neighbor in our community.
- Conserving natural resources by reusing and recycling.
- Using, in our own operations, processes that do not adversely affect the environment.
- Ensuring the responsible use of energy throughout the organization.
- Participating in efforts to improve environmental protection and understanding.
- Taking steps to improve environmental performance continually.
- Conducting rigorous audits, evaluations, and self-assessments of the implementation of this policy.
- Collaborating with suppliers who promote sound environmental practices; and
- Enhancing awareness among our employees, volunteers, and users – educating and motivating them to act in an environmentally responsible manner.

Responsibilities

It shall be the responsibility of the Board to establish and maintain policies and procedures and to bring these procedures into effect.

It shall be the responsibility of the Directors to ensure implementation of these policies and procedures.

Procedures
